We at Unique Manufacturing want to thank you for being one of the 450+ attendees who stopped by our booth at the 2010 Florida Restaurant Show.

Our goal has always been to offer the hospitality industry disposables that are very different at substantially less pricing than our competitors.

We had tremendous interest in our newer products. Our [wood bowls and cones](#) (pictured to the right) were a big hit and we enjoyed hearing the various uses that you could come up with for them. They are in stock and ready to ship.

Of course, we have the [knotted bamboo picks](#) in stock as well, at really low pricing. Over and over, we heard how low our pricing was compared to other vendors (starting at 1.5¢ each). In addition, please visit our website to see our exceptional variety of bamboo and wood items.

Please visit our informational [website](#), or head straight to our [shopping cart](#).
